Shakti Mahotsav, the Grand Annual Day of Mary Matha, was a clarion call to the society to re-align themselves with the sacred values and courteous principles that we forget many times, in the greedy pursuit of wealth and power. An inclusive society where equality, sensitivity and wisdom reign, was what the theme tried to convey through a 4-hours show based on recent real-life incidents and the golden pages of Indian history..

Our dynamic hosts of the evening rocked the show with their clear and confident anchoring...

Electrifying dances, edifying scenes, energetic stage performances were all the highlights of the Grand evening show attended by more than 4000 people. High voltage sound systems with gimmicks of laser lights added to the pomp and splendour of the show. The finest selection of costumes also stood as the highlight of the event.

The final review of the event delivered by Hon. Smt. B S Mane, Taluka Executive Magistrate of Khatav Taluka was so honest and heart-touching. She made it a point to quote the historical characters brought to life by our artistic students and to illuminate the minds of the audience with quotations and questions. The event ended on a grand note with 50+ students rocking the stage for the finale performance.
