

KEY- of the Morning
BOLT- of the Evening

Fr. Jino Thomas MCBS
Principal

Let us take a moment to center ourselves in reflection and gratitude. Just as the morning sun unlocks the possibilities of a new day, so too does our prayer serve as the key to unlocking the potential within each of us. In the quiet stillness of this morning, let us be mindful of the blessings that surround us—the gift of education, the support of our teachers and peers, and the opportunity to grow and learn. May this moment of prayer fill our hearts with peace and our minds with clarity, as we prepare to face the challenges and opportunities that lie ahead. And as the day progresses and the evening approaches, let us not forget the importance of reflection.

Just as the setting sun marks the end of one day, so too does our evening prayer serve as a bolt, securing the lessons and experiences of the day in our hearts and minds. In these moments of prayer, let us express gratitude for the moments of joy, seek forgiveness for our shortcomings, and draw strength from our faith and community. Let us commit to approaching each day with integrity, kindness, and a spirit of curiosity, knowing that each new day is a gift, full of endless possibilities.
